

## Work to Do

### Main Ingredient

I'm taking care of business, woman can't you see?  
I've gotta make it for you and I've gotta make it for me  
Sometimes it seems, girl, I'm neglecting you  
Well I'd love to spend more time  
But I've got so many things to do

Oh, I, I've got work to do  
I got work, baby (I got work baby)  
I got a job, baby (I got work baby)  
I got work to do (I got work baby)  
Said I got work to do, work to do (I got work baby)

Oh, I'm out here trying to make it  
Baby can't you see (woman, can't you see)  
It takes a lot of money to make it  
Let's talk truthfully (let's talk truthfully)  
So keep your love lights burnin'  
And a little food hot in my plate  
You might as well get used to me  
Coming home a little late  
I mean it

Oh, I, I got work to do  
I got work, baby (I got work baby)  
I got a job baby (I got work to do)  
I got work to do (I got work baby)  
Said I got work to do work to do (huh!)

I've got to make it, baby  
I've got to make it, darling  
I've got work to do, work to do  
Work, work, work  
Work to do, baby

I've got to make it, darling

Woman, can't you see?

Sometimes it seems, girl, I'm neglecting you  
Well I'd love to spend more time  
But I've got so many things to do

Oh, I, I've got work to do
