

## i can't help myself (dyed purple 2017)

The Maine

In a white t-  
shirt, no makeup, and your favorite skintight jeans  
Well, I never used to lose my cool when I played with pretty things

Heaven knows you give me hell  
Spin around on your carousel  
I don't want anybody else  
Oh, well

I can't help myself  
Nothing on, and you wear it so well  
Only me and Number Five Chanel on you  
If you couldn't tell  
I got no control, and I need help  
I need help 'cause I know I can't help myself

When you're around me, I'm dramatic as can be  
Say it's 'cause I'm a Leo, I still don't know what that means  
Don't know, know  
You could tell me to go fuck myself, but it wouldn't change anything

Heaven knows you give me hell  
Spin around on your carousel  
I don't want anybody else  
Oh, well

I can't help myself  
Nothing on, and you wear it so well  
Only me and Number Five Chanel on you  
If you couldn't tell  
I got no control, and I need help  
I need help 'cause I know I can't help myself

No, I can't help myself  
Can't help myself  
No, no, no, I know I can't help myself  
I got no control, and you're no help  
You're no help

If you couldn't tell  
I don't know what to do with myself  
Can't think about anybody else but you
