

I Saw Her Again Last Night

The Mamas and the Papas

I saw her again last night,
And you know that I shouldn't
Just string her along; it's just not right
If I couldn't I wouldn't.
But what can I do; I'm lonely too.
And it makes me feel so good to know
She'll never leave me.

I'm in way over my head;
Now she thinks that I love her (yeah, yeah)
Because that's what I said
Though I never think of her.
(No, no, never think of her)

But what can I do? I'm lonely too.
And it makes me feel so good to know
(And it makes me feel so good to know...)
She'll never leave me.

Every time I see that girl,
You know I wanna lay down and die.
But I really need that girl
Though I'm living a lie;
(Though I'm living a lie...)
It makes me wanna cry

I saw her again last night,
And you know that I shouldn't
Just string her along; it's just not right.
If I couldn't then I wouldn't,
But what can I do, I'm lonely too.
And it makes me feel so good to know
She'll never leave me.
(to know...know)

But what can I do? I'm lonely too.
Yeah, and it makes me feel so good to know
She'll never leave me.

Every time I see that girl,
You know I wanna lay down and die.
But I really need that girl
Though I'm living a lie
(Though I'm living a lie...)
It makes me wanna cry.

I saw her...
I saw her again last night.
And you know that I shouldn't (no, no)
Just string her along; it's just not right.
If I couldn't, I wouldn't;
I'm in way over my head (you say...)
Now she thinks that I love her (yeah, yeah)
Because that's what I said...
