La-la Means I Love You

The Manhattan Transfer

Many loves have come to you With a line that wasn't true And then you passed them by, (passed them by) While you're in the center ring, And their lines don't mean a thing, Why don't you let me try? (let me try) I don't have a diamond ring I don't even know what song to sing, All I know is La la la la la la la la la Means I love you All I know is La la la la la la la la la Means I love you If there ever was a love That I needed in this world You are the one for me (one for me) Let me hold you in my arms Thrill you with my charms Darling, then you'll see, (you will see) The things that I'm saying are true And the way I'll explain them to you Listen to me, La la la la la la la la la Means I love you La la la la la la la la la

Means I love you

Things I am saying are true And the way I explain it to you Yes to you, Listen to me,
