

That's Killer Joe

The Manhattan Transfer

This here's the story about Killer Joe
He's a real bad cat, 'forget I told you so
Silk on the corners of his fancy threads
Double breasted pin stripe coat top press
Fast talkin' good looking flim flam jive
Why he's the kind o' cat that'll make a dead man cry
So look out for Killer Joe!

Killer Joe - Killer Joe
Killer Joe - love dough
(Repeat)

Love of gold
Has made him very cold (Repeat Top)

I hit the big town an' he turned me roun'
He dazzled me with some pretty jive
Prettier jive than I've ever heard from
Any man alive
He called me "Baby," 'n "Honey"
Messed wit m'head, tol' me he'd show me
A whole mess o' money
An' what did I get?
That's somethin' I ain't figured out yet

Each woman I meet is like a bead
That's strung on a string
An' I wear 'em like I'm wearin' a necklace
Women love me, n'think lots of me
Really! How can they be so reckless
I tell 'em in front, that I do love money
So - later on - then they won't get funny
When I tighten up an' the scene gets heavy
Times when I laugh they're over,
Now they're gonna' feel a draf'
Tell why'truth, if why'mus know
Only thing can save why'is t'bring me lots o'dough
