

# Fever

The Manhattans

Oh, yeah yeah yeah yeah yeah

Never know how much I love you  
(Never never never never know)  
Never know how much I care  
(How much, ooh)  
But when you put your arms around me  
I get a feeling that's too hard to bare

You give me fever, yeah  
(You give me fever)  
When you touch me, fever  
When you hold me tight (You give me fever)  
Fever (You give me fever)  
In the morning  
You give me fever all through the night

Listen to me, baby  
(Come on, baby)  
Hear every word that I say  
(You better listen, girl)  
No one can love you the way that I do  
'Cause they don't have the love I have for you (Yeah)

You give me fever  
(You give me fever)  
When you kiss me, fever  
When you hold me tight (You give me fever)  
Fever (You give me fever)  
In the morning  
You give me fever all through the night

Never know how much I love you  
Never know how much I care  
But when you put your arms around me  
I get a feeling that's too hard to bare

You give me fever, yeah  
(You give me fever)  
When you touch me, fever  
When you hold me tight (You give me fever)  
Fever (You give me fever)  
In the morning  
You give me fever all through the night

Listen to me, baby (You give me fever)  
Hear every word I say (You give me fever)  
No one, no one could ever love you the way I do (You give me fever)  
'Cause they don't have the love I have for you  
Yeah, yeah yeah

You give me fever  
(You give me fever)  
When you touch me, fever  
When you hold me tight (You give me fever)  
Fever (You give me fever)  
In the morning

You give me fever all through the night...
