

That's How Much I Love You

The Manhattans

I'm never happy when you're away
(I'm never happy when you're away)
Each time you leave, I think you're gonna stay
(I think you're gonna stay, pretty baby)

If you ever take
Take your love from me
You'll restore this then
Can't you see? (Can't you see?) Ooh-wee, baby

I'm never happy when you're away
(I'm never happy when you're away)
Each time you leave, I think you're gonna stay
(Oh, I know you're gonna stay, pretty baby)

There's nothing in this world
I wouldn't do for you
If you wanted the moon
I'd bring it to you, you, you (bring it to you) ooh-wee baby

That's how much I love you, baby
(That's how much I love you, baby)
That's how much I love you baby
(That's how much I really love you, baby)
That's how much I love (I really love you, ooh-wee, ooh-wee)

I'm never happy when you're away
(When you, when you, when you, when you, when you, when you're away)
Each time you leave, I think you're gonna stay
(Oh, I think you're gonna stay, pretty baby)

There's nothing in this world
I wouldn't do for you
If you wanted the sun
I'd bring it to you, you, you (bring it to you) ooh-wee baby

That's how much I love you, baby
(That's how much I love you, baby)
That's how much I love you baby, ooh
(That's how much I really love you, baby)
That's how much I love (yeah, yeah, I really love you, yeah, yeah, baby)

When I think about
Not having you by my side (by my side)
It hurts me, so never say goodbye, bye-bye (say goodbye)

That's how much I love you, baby
(That's how much I love you, baby)
That's how much I love you, baby
(I wanna let you know now)
That's how much I love you, baby
(That's how much I really love you, baby)
That's how much I love you, baby (I really love, I really love you, baby)
That's how much I love you, baby (ooh-wee)
