

# Calling U Back

The Marías

I'ma live in the past  
Look at the videos  
I'ma give you the wheel  
What do you wanna know?  
And I'm calling you back  
Don't wanna be alone  
'Cause you do me like that  
Why would you do me like that?  
'Cause mama told me keep it real  
I can do anything  
I'ma give you the world  
Spin it and live in it  
But I'm calling you back  
Don't wanna be alone  
'Cause you do me like that  
Why would you do me like that?

When I wake up  
Tell me it's a song and not a break up  
I'll see you in the morning when we make up  
You want me out of your life too soon  
So I'ma lay here  
Make a drink and have a holiday here  
Diamonds on the bed to hold your place here  
I won't be out of your life too soon

I'ma live in the past  
Look at the videos  
I'ma give you the wheel  
What do you wanna know?  
And I'm calling you back  
Don't wanna be alone  
'Cause you do me like that  
Why would you do me like that?  
'Cause mama told me keep it real  
I can do anything  
I'ma give you the world  
Spin it and live in it  
But I'm calling you back  
Don't wanna be alone  
'Cause you do me like that  
Why would you do me like that?

I've been on my level don't mess around  
Maybe I'm the devil that brought you down  
I'll see you on the other side, yeah  
Meet me on the other side, yeah

I guess I messed up, babe, I deserve this  
I'm calling you back, pick up, out of service

I'ma live in the past  
Look at the videos  
I'ma give you the wheel  
What do you wanna know?  
And I'm calling you back  
Don't wanna be alone

But you do me like that  
Why would you do me like that?  
'Cause mama told me keep it real  
I can do anything  
I 'ma give you the world  
Spin it and live in it  
But I'm calling you back  
Don't wanna be alone  
'Cause you do me like that  
Why would you do me like that?

I guess I messed up, babe, I deserve this  
I'm calling you back, pick up, out of service
