

Heaven knows you better  
Than all this West Coast weather  
Honey, not so fast  
This is all I ask  
Do you feel better?  
Do you feel better?

Come on, say you love it  
I know you tryna get above it  
There's a space outside  
And I'm not surprised  
I don't remember  
I don't remember, hm

And now I'm waking up with you  
The sun is blasting in this room  
I'm lovin' everything you do  
And I'm drawin' pictures next to you  
(Yeah)

Maybe the photo's out of focus  
I can't believe that no one noticed  
If you think I'm shy  
Maybe out my mind  
I won't remember  
I don't remember, hm

And now I'm waking up with you  
The sun is blasting in this room  
I'm lovin' everything you do  
And I'm drawin' pictures next to you

(Heaven knows you better)  
And now I'm waking up with you  
(Than all this West Coast weather)  
The sun is blasting in this room  
(Heaven knows you better)  
I'm lovin' everything you do  
(Than all this West Coast weather)  
And I'm drawin' pictures next to you

(Than all this West Coast weather)  
And now I'm waking up with you  
(Than all this West Coast weather)  
The sun is blasting in this room  
(Than all this West Coast weather)  
I'm lovin' everything you do  
(Can't stand this West Coast weather)
