

## Loverboy

The Marías

...in line with all the rest, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know

Sunshine, I might be long  
If I decide, you're wrong  
Can't bare a word from you, loverboy  
When you decided to love her, boy

You put me in line with all the rest, I know  
I know, I know, I know, I know, I know  
I know, I know, I know, I know, I know
