

A Need For Love

The Marvelettes

Some people have a need to cry
Some need to feel important inside
Some need to feel ten feet tall
But I have words, we evolve

Because I, I've got a need for love
A need to be kissed and hugged
I need someone to love me and hold me
So I won't have, have to be lonely

Without love, I can't exist, no no
It's been like this ever since
You've been gone
But my love still lingers on

Oh, said that I, I've got a need for love
Said that I, I need to be kissed and hugged
Know that I need, needed someone to love me and hold me
So I won't have, have to be lonely
Oh, said that I, I've got a need for love
Said that I, I've got a love
Know that I need, I've got a need for love
Whoa
