

Someway, Somehow

The Marvelettes

I ain't ashamed to show you
Just how much I really want you
I'll try each trick of the trade
To persuade you back in my arms somehow, baby

Boy, it ain't no use in Sally holding on (Sally's got to turn you loose)
'Cause in these arms of mine, that's where you belong (It ain't no use)
That's where I'm gonna get you (I'm gonna get you)
Someway, somehow
Ooh, baby

Ooh, I'll be sweeter than I was before (Someway, somehow)
And I'll add all the things that made you turn to her (Someway, somehow)
Maybe me you prefer, someway, somehow, ooh

There's a love in my heart I just can't erase (No, I can't erase)
I can't sit here and let Sally take my place (Can't her take my place)
I've got to get you back
Someway, somehow, darling

Someway, somehow, I'm gonna get you
(Someway) This time
(Somehow) Ooh, I'll get you
I ain't gonna ever let you go, no
Someway, by hook or crook (Someway, somehow)
Somehow, I'll take back what she took (Someway, somehow)
And I ain't gonna ever let you go, ooh, no, no, no (Some)
