

I Shall Sing

The Maytals

I shall sing
Sing a song
In the morning
And in the day

Everywhere I go
I want the world to know
That I can do
A version of this song

My version would go like this
I can sing a song, yeah
I can sing a song, now
Sing a song, yeah

I shall sing
Sing a song
In the morning
And in the day

I heard them talking
All over the world
They want me to do
A version of your song

My version goes like this here
I can sing a song, now
I can sing a song, now
oh yeah

Yeah, am I doobing you? Yeah, yeah
See, what I mean, yeah, yeah
I can sing a song
I can sing a song
I can sing a song
