

# Oh Yeah

The Maytals

Everybody, give it to me, huh  
Hey, hey, hey  
I want you to believe every word I say  
I want you to believe every thing I do

I said, "Music is what I've got to give  
And I've got to find some way to make it  
Music is what I've got, baby  
I want you to come on and shake it"

Shake it, shake it, baby  
Oh yeah, hey  
Na na na  
Oh yeah, na na na

Funky, funky, funky  
Funky Kingston is what I've got for you, oh yeah  
Funky Kingston, yeah, is what I've got for you  
Funky Kingston, oh yeah

Lemme hear your funky guitar  
Yo reggae  
Hear the piano, stick it to me

Watch me now, you watch me now  
Playing from east to west, yeah  
I just play from north to south, yeah  
I love black America

People keep on asking me for  
Funky Kingston  
But I ain't got none  
Somebody take it away from me
