

Less Than Zero

The Methadones

Am I product of my generation so bored and confused?
Lacking motivation in everything I'm expected to do
But when she doesn't show me any love
I start to wonder what I am made of Less than zero
Looking through the want ads with the hopes I can appease her
Living paycheck to paycheck isn't her idea of a future
But when she doesn't show me any love
I start to wonder what I am made of Less than zero...
She keeps telling me I'm so impractical leaving us without stability
But when I see some dumb kids come along
making a living writing stupid songs
Well?
Everybody wants to get a piece of the action
But there isn't enough to go around
It brings me back to square one and now I really feel like such
a bum
Less than zero...
