

## Solar System

## The Microphones

I know you're out there  
I know you're out there

I know you're out there  
You're soccer balls on knees  
Through your skirt I see  
Your legs gracefully

I know you're out there  
You're swaying and pleased  
I know you're out there  
You're vultures in trees

I know you're out there  
I know you're out there
