

## Tape Deck Ghost

### The Microphones

Did you notice me?  
Did you see me hiding?  
In the back room  
I'm recording

I'm sneaking in  
Microphones in my pocket  
And my ear  
Something sneaking in  
In the back room  
Stacks of books cover me up  
Did you notice me?  
I'm hiding here  
In the back room  
That's where I spend my nights  
Recording

Did you notice me?  
Did you see me hiding?  
In the back room  
I'm recording  
(Rewind noise)  
-notice me?  
Did you see me hiding?  
In the back room  
I'm recording  
(Rewind noise)  
-hiding?  
In the back room
