

Badass

The Midnight Beast

Wish I had flow on the track, like a super rich guy that raps
Smoking [*cough*] everyday, bestie mates with Dr Dre
I'll hear em as they pass, think I'm in a different class
Yeah, I really really really wanna be a badass

Up, in slo-mo, like I'm in a video
Breathing sex, on the necks, of the women touching my pex
I'll hear em as they pass, think I'm in a different class
Yeah, I really really really really really really really really wanna

Be a badass, I'll be so badass
Like they got nothin' on me (on me)
Making real mad cash, I'll be super white trash
I really really really really really really wanna be a badass
I really really really really wanna be a badass

Time from a watch, more expensive than both my yachts
Got the presidents wife in the passenger seat of a lambo I just
got
I'll hear em as they pass, think I'm in a different class
Yeah, I really really really wanna be a badass

My gang will tag-along, got more leather than the fonz
Up all night, have a fight, 'cause some dude is way too polite
I'll hear em as they pass, think I'm in a different class
Yeah, I really really really really really really really really wanna

Be a badass, I'll be so badass
Like they got nothin' on me (on me)
Making real mad cash, I'll be super white trash
I really really really really really really wanna be a badass
I really really really really wanna be a badass

Maybe that's dumb, and I've been fine all along
But I really really really really really really really really wanna

Be a badass, I'll be so badass
Like they got nothin' on me (on me)
Making real mad cash, I'll be super white trash
I really really really really really really wanna be a badass
I really really really really wanna be a badass
