

Going 2 Miami

The Midnight Beast

Going to Miami
Going going to Miami
Going to Miami
With the money from our Granny
Now we're in Miami
Now we're now we're in Miami
Now we're in Miami
Spending money from our dead Granny

Granny, I'm in Miami
With a fat stack bulging
Doing tricks in the sea like a dolphin
Dressed like a sultan
Practising my golf swing
Pretending that I'm working out in my own gym
Plenty of towels provided when I need a soak
Two sinks in the bathroom
Not a joke!
Goose in the mini fridge
Motherfuckin' dimmer switch
Food so fancy that we don't even know what it is
In the bar, buy the whole place shots
Ladies be looking at all the cash that we got
Gonna find me a sweet spot
Down at the pool
No space savesies
Towels in the pool
Doin' cannonballs
Skatin' down the halls
Except that we can't skate at all
But skating sounded cool
Granny would think this is so amazing
Looking down, waving
At us in Miami
Spending her life savings!

Now we're now we're in Miami
Now we're in Miami
Spending money from our dead Granny

Complimentary toiletries
Stealin' 'em for our families
Room service!
The bomb
Swan dive!
Towel swan
Friendship bracelets
Smiles on our faces
Dancing in the dark
In our light up laces!

Sir, you're not allowed in here, you're all wet
My Granny died
Oh
Can I get some ketchup?
Sorry, we're all out
My Granny died
You're not allowed to eat in this pool
My Granny died
Hmmm
Was everything okay with your meal today, sir?
My eggs were fried
I asked for scrambled
And my granny died
