

Lost Boy

The Midnight

We were the monsters and fire-breathers
We were the quiet sunrise leavers
You were a good girl, what could I do?
I was a lost boy when I met you

Hold me til I'm not lonely anymore
It's only the crashing of the ocean to the shore

'Cause in the dark there are no strangers
There are no strangers at all
'Cause in the dark there are no strangers
There are no strangers at all

I was a lost boy when I met you
I was a lost boy, was a lost boy
I was a lost boy when I met you
I was a lost boy, was a lost boy
I was a lost, there are no strangers anymore
I was a lost boy, was a lost boy
I was a lost boy when I met you
I was a lost boy, was a lost boy
I was a lost, there are no strangers anymore

We were the rebels, lone survivors
We were the cult of deep sea divers
We were young once then we grew old
We were shining, we were fool's gold

Hold me til I'm not lonely anymore
It's only the crashing of the ocean to the shore

'Cause in the dark there are no strangers
There are no strangers at all
'Cause in the dark there are no strangers
There are no strangers at all

I was a lost boy when I met you
I was a lost boy, was a lost boy
I was a lost boy when I met you
I was a lost boy, was a lost boy
I was a lost, there are no strangers anymore
I was a lost boy, was a lost boy
I was a lost boy when I met you
I was a lost boy, was a lost boy
I was a lost, there are no strangers anymore

'Cause in the dark there are no strangers
There are no strangers at all
I was a lost boy
'Cause in the dark there are no strangers
There are no strangers at all
I was a lost boy
'Cause in the dark there are no strangers
There are no strangers at all
