Reality

The Mighty Diamonds

```
Reality we must face
cause day by day time goes to waste
We've got to teach the children what they should know
We've got to teach the children how they should grow
'Cause they want to learn the truth
Teach them right now

/: Reality we must face, oh Lord
cause day by day time goes to waste
We've got to clothe the naked, 'cause they are poor
We've got to care for the whole, we can do no more, oh Lord
'Cause they have learned the truth
By the rules  :/
```
