

A Little Bit Ugly

The Mighty Mighty Bosstones

When it starts to kick in, I start to kick it out.
When it comes a'calling, more and more each day.
And a little bit ugly now, is what it's got to say.
Little bit ugly now.
Little bit ugly now.
Little bit ugly now.
Who? What? When? How?
Little bit ugly now.
Little bit ugly now.
Little bit ugly now.
Right now! Right now!
Little bit ugly now.
Little bit ugly 'cause the time is right.
Little bit ugly now.
Little bit ugly now tonight.
When it comes a'knockin, outside my door.
Well, I let it in, 'cause it's been there before.
Let's let it in!
It comes a'knockin', more and more each day.
And a little bit ugly is what it's got to say.
When it comes around here, it's really nothing new.
Get a little bit ugly, is what it's telling me to do.
When I'm a little bit ugly it's my kind of feeling.
I'm drunk and I'm blind.
