

# Nah, Nah, Nah, Nah, Nah

The Mighty Mighty Bosstones

Nah Nah Nah – Nah Nah Nah Nah  
Nah Nah Nah Nah Nah Nah Nah Nah Nah

Nah Nah Nah – Nah Nah Nah Nah  
Nah Nah Nah Nah Nah Nah

I'd rather you didn't then did, I'd rather you didn't get rid  
Of me at that age, such a young awkward stage  
That is not what you do to a kid

If this is the case, let us cut to the chase  
I'm so sorry I never let go  
I went to the doctor, the kind that you talk to  
And he said the process is slow

I'd rather you hadn't then had, if you hadn't I wouldn't be mad  
At what I've been handed, despite it I've landed  
On both feet so don't worry dad

Now that I've said it, lets try to forget it  
I don't want to trash your good name  
Trash mine if you'd like to, I'm sure you'd be psyched to  
Remember – Our name is the same!
