

Don't Blame Me

The Mills Brothers

Ever since the lucky day I found you
I hung around you just like a fool
Falling head and heels in love like
A kid out of school

My poor heart is in an awful state now
But it's too late now to call home
So if I become a nuisance
It's all your fault

So don't blame me
For falling in love with you
I'm under your spell
But how can I help it
Don't blame me

Can't you see
When you do the things you do
If I can't conceal
The thrill that I'm feeling
Don't blame me

I can't help it
If that dog-goned
Moon way up above
Makes me need
Someone like you to love

Blame your kiss
As sweet as a kiss can be
And blame all your charms
That melt in my arms
But don't blame me.
