

Big City, Bright Lights

The Minds Of 99

Der går en mand, som at der' helt til grin
Der går en mand, som ikk' har nogen selvdisciplin
Måske han boozer, måske han narkoman
Måske han blot en helt almindelig Pink Floyd-fan
Der går en mand, som at der' helt til grin
Der går en mand med alt for meget selvdisciplin
Måske han ligeglad, en rigtig psykopat
Måske en helt for hjemmehjælp i Danske Stat

Early morning, late nights
Big city, bright lights
Early morning, late nights
Big city, bright lights
Early morning (Early morning), late nights (Late nights)
Big city (Big city), bright lights (Bright lights)
Early morning (Early morning), late nights (Late nights)
Big city (Big city), bright lights (Bright lights)

Der går en mand, som at der' helt til grin
Der går en mand med alt for meget selvdisciplin
Jeg tror, han pumper - spiser kun kreatin
Og lige nu har han lommen fuld af kokain
Og han er gået i stå nu
Han ligger hovedet på skrå nu
Han går i Brugsen, måske han kleptoman
Måske min ven fra internet, jeg troed', var en dam'
