

All I Want Is You

The Miracles

My darling, all I want is (You)

I don't want riches
And I don't want gold (Only you)
I just want you (Only you)
To have and to hold
I don't know me
And I don't want fame
I just wanna hear you
Call my name

In this wide, wide, wide world
All I want is you, you, you, you

I don't want my name
Up in bright lights
I just want you
To hold me tight
Don't wanna be loved, loved, loved
By no other girl
Baby, you are my
My want of this world

In this wide world
All I want, yeah, is you

I don't want no diamonds (Thrown at my feet)
I just want you to always be sweet
I just want my, my, my whole life long
To always do right and to never, never, never do you wrong

In this wide world
All I want is you

All (All I want is you)
Yeah yeah (All I want is you)
I, I, I, I want is (All I want is)
You (You, you, you, you, you)
