

Twist and Shout

The Miracles

Shake it up, baby now
Twist and shout
Come on, baby
Come on and work it on out

A-work it on out, honey
You know, you look so good
You know, you got me going
Just like I knew you would

Shake it up, baby
Twist and shout
Come on, come on, come on, baby
Come on and work it on out

Listen little girl
You know, you twist so fine
Come on and twist a little closer
Come on and show me that you're mine

Shake it up, baby now
Twist and shout
Come on and shake it up, baby
Come on and work it on out

Shake it up, baby
Twist and shout
Come on, come on, come on, baby
Come on and work it on out

I want you to shake it, shake it, shake it
Why don't you come on and shake it, shake it, shake it
Why don't you come on and shake it, shake it
Come on and work it on out

Shake it up, baby
Shake it up, baby
Come on and shake it up, baby
