

Your Love

The Miracles

Everybody tells me to find somebody who
They say that I'd be happier than just waiting here for you
Find someone new

And try belong
'Cause everyone needs someone to share love
But I have to let them know
Even though it hurts me so

That I need your love
Only your love

I know that I have made mistakes now
But some time the mistake is just what it takes now
Oh well it opened up my eyes
And made me realize

That I need your love
Only your love

All other loves have been afloat
And no matter how big of a fool I may sound
Well when someone offers me
A love as true as love can be
I have to turn them down

Cause I, I can't pretend that I love another
And I would be happy with any other
Well things are gonna be bad
And my heart is gonna be sad

Till I get your love
Only your love
Come on and give me some love
All I want is some love
Come on and give me some love
Don't you know I need it right now
I'm gonna get it someday
I'm gonna get your love somehow
Come on baby give me some love
