

Paradise (Will Shine Like the Moon)

The Mission

Hey sister moonshine ride the snake with me Ride it long ride it hard Ride it all the way with me Hey sister moondance charm the snake for me Charm it long charm it hard Charm the skin from it's back for me

And paradise will come tonight In the comfort of your arms and the ritual and The rite And paradise shines so bright Lead me a dance of veil in the silver of the Moonlight and paradise Paradise will shine like the moon tonight

Hey sister moonchild the wolf is howling at the moon He howls long he howls hard Howling for you sister moon Hey sister moonshine hold me 'til the break of dawn Hold me long hold me hard Hold me 'til the shadows fade away

Hey sister moonlight kiss me with your honey lips Kiss me long kiss me hard Kiss me 'til my honey drips Hey sister midnight love is over with the rising sun Love me long love me hard This could be forever if you love me right
