Hallucinating

The Moffatts

Am I hallucinating,
Or am I just imagining things?
I've thought what our life could be, together.
All of the lights burned out;
I can see clearly right now
If only I could open up my eyes.

Hey, hey, hey, hey, hey
I forgot your name
Hey, hey, hey, hey, hey
I forgot your name
Hey, hey, hey, hey, hey
I forgot your name.

If I could say I love you.
If I could put my arms around you.
At least it would be
Clear inside my head.

Hey, hey, hey, hey, hey
I forgot your name
Hey, hey, hey, hey, hey
I forgot your name
Hey, hey, hey, hey, hey
I forgot your name.

If only I could speak out loud,
Instead of keepin it in.
Then none of this would be the same
For me, for me, for me
For me, for me, for me.

Hey, hey, hey, hey, hey
I forgot your name
Hey, hey, hey, hey, hey
I forgot your name
Hey, hey, hey, hey, hey
I forgot your name.

Am I hallucinating?
