

## So in Love

The Moffatts

Lit the candles, locked the door  
And kick the sheets to the floor  
Shook the pictures off the wall  
Every moment I recall

The taste - of the kisses you left on my lips  
And its - still in my head  
And the nights of love  
I won't forget  
I'm so in love with you  
I'm so in love with you  
In my mind I have tattooed  
Each and every curve of you  
And I know my way around you in the dark

I know you by heart  
The taste - of the kisses you left on my lips  
And its - still in my head  
And the nights of love  
I won't forget

I'm so in love with you  
I'm so in love with you  
Your smile, your love  
I can't get enough  
Of the taste  
Of the kisses you left on my lips  
And its  
Still in my head  
And the nights of love  
I won't forget  
I'm so in love with you  
The taste - of the kisses you left on my lips  
And its - still in my head  
And the nights of love  
I won't forget  
I'm so in love with you  
I'm so in love with you  
I'm so in love with you
