

It's Nice to Be With You

The Monkees

Hey!
Look what you have done.
Showing me the sun,
And now it's shining through.
It's nice to be with you.

Hey!
I like the things you say,
And I like the way
You do the things you do.
It's nice to be with you.

Each time that I give my heart to someone new,
They just turn it blue.
But this time
Is my time,
And my time
Is all the time I have
To be with you.
So, please
Never go away.
Say you're going to stay,
And make my dreams come true.
It's nice to be with you.

Each time that I give my heart to someone new,
They just turn it blue.
But this time
Is my time,
And my time
Is all the time I have
To be with you.
So, please
Never go away.
Say you're going to stay,
And make my dreams come true.
It's nice to be with you.
