

## We'll Be Back In A Minute #2

The Monkees

We'll be back in a minute, back  
Don't forget it  
Don't you go away  
Better stay right there  
Don't you turn us off  
'Cause there's no place left to go  
But the show

We'll be back in a minute, back  
In a minute, back  
In a minute, back
