

When Love Comes Knockin'

The Monkees

by Micky Dolenz

We'll be back,

In a minute, back

Don't forget it,

Don't you go away,

Better stay right there,

Don't you turn us off

'Cause there's no place else to go, to go.

We'll be back,

In a minute, back

Don't forget it,

Don't you go away,

Better stay right there,

Don't you turn us off

'Cause there's no place else to go but the show.
