

# Can't Say No, Can't Say Yes

The Moog

Don't get me wrong  
I'm almost happy now  
It can't take too long

I know that grin  
You wanna have it all  
But you can't win

It's 5 am  
Another cigarette  
Or drink won't change that

Let's just sit back  
And think of the things  
I should've asked

No, I can't say no, I can't say no  
You can't say yes, you can't say yes  
You love this mess  
No I can't say no I can't say no  
You can't say yes, you can't say yes  
You won't confess

Walking home alone  
Every step I take  
Is a pin to a bone

The wind blows out  
Every memory  
Of my bound shouts

A torn tissue  
In my left pocket  
Shows the real you

The city lights  
Growing dim without  
Asking the night
