

# If I Died

The Moog

Oh, you always thought  
That I'm an open book for you  
So I won't try to prove  
The opposite of that  
It's way more convenient  
For me and for my friends

Oh, there's nothing left  
I could live or die for  
So I think I lock  
Every door around me  
And throw away the keys  
'Cause it would not impress me

Aahahahahaah  
If I loved  
Aahahahahaah  
If I cried  
Aahahahahaah  
If I died  
Aahahahahaah

Oh I killed the guy  
Who I was yesterday  
The songs that he'd loved  
Every dawn he'd seen  
And every fear and hope  
I sold for tomorrow

This morning is  
The death of every pure in me  
Some birds are twittering  
That there's no turning back  
But I don't wanna hear  
'Cause it would not impress me

Aahahahahaah  
If I loved  
Aahahahahaah  
If I cried  
Aahahahahaah  
If I died  
Aahahahahaah

Passion is the only thing that  
Can save or kill my soul  
And if somebody could understand that  
I wouldn't need no more

Aahahahahaah  
If I loved  
Aahahahahaah  
If I cried  
Aahahahahaah  
If I died  
Aahahahahaah
