

## 219 Train

The Moonglows

Sometimes I cry  
Have helped me I could have died  
I'll stand  
That we have to part  
Have to part  
Don't know why  
Life is like this  
It's you, didn't you miss  
Your you're why  
Sometime I could cry

It's confusing but amusing  
That I find me a love with you  
Life is crazy, I'm going crazy  
What more can I do  
Well, I'm gonna live, live my head  
On some lonesome railroad line  
Let's turn it tonight a train  
Ease my troubled mind  
Play the song

Whoa amusing  
That I am in love with you  
Life is crazy  
I'm going crazy  
Oh tell me baby  
What can I do do do

Hey hey find some lonesome railroad line  
Let's that tonight find some train  
Ease my troubled mind  
My mind
