

## Here I Am

The Moonglows

Darling don't cry  
Anymore  
No need to call  
Anymore  
My love is yours  
(Whoa whoa whoa whoa)  
To adore, here I am  
I am yours (here I am)  
Here I am (here I am, ooh)

You won't have to walk  
Alone  
No longing need you dream  
Alone  
For I will never leave (leave leave leave)  
You alone  
Here I am  
Here I am (whew)

Here's my heart  
In my arms  
Look into my eyes  
Can't you see  
There's no place else  
I would rather be

Time to erase  
All your tears  
And time to dismiss  
All your fears  
Come share my heart through  
The years  
Here I am  
I am yours (ooh)  
Oh  
Here I am  
I am yours, whew
