

I'll Stop Wanting You

The Moonglows

I'll stop wan-ting you

Woo

Woo ooh ooh

When the moon gets what the night is for

When the tide lives it's way to the shore

When the rainbow can't tell when the storm is through

And that's when (that's when), that's when (that's when)

I'll stop wanting you

When the river can't find a way to the sea

When the sun in summer ceases to be

When my heart can't dream a dream of you

And that's when (that's when) I'll stop (I'll stop) wanting you

No chain is strong enough

To hold the river from the sea

No chain is strong enough

To hold the heart that wants to be free

When it refuses to cloud in

When time stands still

A million years after my heart is through

And that's when (that's when)

That's when

I'll stop wan-ting you
