

I Was Wrong

The Moonglows

See the tears falling from my eyes
And the time just beginning to realize
I was wrong so wrong
So c'mon back to me
And say
I'm sorry
About the things I said
The wine I drank
It must have went to my head
I was wrong so wrong
So c'mon, back to me
And stay

Hey
Come back (yeah)
Come back (yeah)
Oh baby come back to me (ye-yeah)
I'm so broken-hearted
And full of misery
Ow!
Come back and stay
Come back to stay
Come back to stay
Come back to stay
Well I was wrong, well
Come back to me and stay
Oh baby baby baby baby
Please just give me one more chance
Oh no no no
Don't listen, pray about it and come back
I was wrong oh
So c'mon back to me
And stay

Hey
Come back (yeah)
Come back (yeah)
Oh baby come back to me (ye-yeah)
I'm so broken-hearted
And full of misery
Ow!
Come back to stay
Come back to stay
Come back to stay
Come back to stay
Well I was wrong
Oh
So c'mon back to me
And stay
So c'mon back to me
And stay
Oh ho ho
