

# Slow Down

The Moonglows

Well baby  
Send me a telegram and say you're coming home  
Whoa, baby  
Don't you know I'm all alone

Slow down baby slow down  
Slow down baby slow down  
Slow down baby slow down  
Slow down way down

I woke up this morning  
Feeling might fine  
About that date it really slipped my mind  
I looked at the clock  
It was a quarter past three  
I said please have mercy on me

Slow down baby slow down  
Slow down baby slow down  
Slow down baby slow down  
Slow down way down

Well I stayed out all night long  
I knew I did you mighty mighty wrong  
Oh baby here are my pleas  
'Cause I'm down on bended knees

Slow down baby slow down  
Slow down baby slow down  
Slow down baby slow down  
Slow down way down
