

# So All Alone

The Moonglows

I'm so alone  
So all alone  
Baby baby baby  
Since you've been gone

I'm so alone  
Baby so all alone

Well well well well  
From above  
From above  
Please send someone to love

I'm so alone  
Baby so all alone

They say, oh they say  
Into each life  
Some rain has got to fall  
I swear rain keeps on falling  
I want have no heart at all

Well well well well  
Please have mercy  
Please have mercy  
Please have mercy  
Mercy on me

I'm so alone  
Baby so all alone

They say, into each life  
Some rain has got to fall  
But I swear if the rain keeps falling  
I won't have no heart at all

Well well well well  
Please have mercy  
Please have mercy  
Please have mercy  
Mercy on me

I'm so alone  
Baby so all alone  
So all alone  
So all alone  
So all alone
