

## Sweeter Than Words

The Moonglows

Sweeter than words (ooo-wee-ooo)  
Sweeter than words (ooo-wee-ooo)  
Sweeter than words  
Can't explain (ooo-ooo-ooo)  
Sweeter than words (ooo-ooo-ooo)  
Can't explain

In love again  
Darling, I'm lost when I hear your name  
Things don't even seem the same

Sweeter than words (ooo-wee-ooo)  
In love again (in love again)

I don't know 'bout reason  
Why mean so much to me  
I'm young and so happy dear  
And so filled with love

Sweeter than words can't explain (ooo-wee-ooo)  
Sweeter than words (ooo-wee-ooo)  
In love again (in love again)

I don't know bout reason  
Why mean so much to me  
I'm young and so happy dear  
And so filled with love
