

Too Late

The Moonglows

(Way too late, Way too late, Way too late, Way too late)

Too late (Too late) Too late (Too late) Too late (Too late)
Too late (Too late) Too late (too late)

Whoa

To start anew (way too late, way too late)
I don't want to hear what you got to say
Should have thought about that the other day
Too late (too late), whoa, to start anew (way too late, way too late)

Too late (Too late) Too late (Too late) Too late (Too late)
Too late (Too late) Yeah Too Late (too late)

Whoa

To make amends (way too late, way too late)
A don't stop, a don't cry
You never hit the bottom? 'til well run dry
Too late (too late), whoa, to make amends (way too late way too late)

I shoulda listened to my Ma
When she told my Pa
That you were no good, no good
A but for being so smart I got a broken
Shoulda known shoulda known
Right (yeah)

Too late (Too late) Too late (Too late) Too late (Too late)
Too late (Too late) Too late (too late)

Whoa

To make romance (way too late, way too late)
If you said you love me in advance
I still wouldn't give you another chance
Too late (too late), whoa
For our romance (way too late too late)

(Too late)...

(Way too late too late)

I shoulda listened to my Pa
When she told my Ma
That you were no good, no good
But for being so smart I got a broken
Shoulda known shoulda known
Right (yeah)

Well

Too late (Too late) Too late (Too late) Too late (Too late)
Too late (Too late) yeah, Too late (too late)

Whoa (too late)

For our romance (way too late, way too late)
If you said you love me in advance
I still wouldn't give you another chance
Too late (too late)

Whoa

For our romance (way too late, way too late)
Too late (too late)

Whoa

For our romance (way too late, way too late)
Too late (too late)
