

Whistle My Love

The Moonglows

Oh whistle my love (whistle my pretty baby)
Oh whistle my love (whistle my pretty baby)
Oh whistle my love (whistle my pretty baby)
Oh whistle my love (whistle my pretty baby)
Baby, I I come running to you

Well, whistle my love, I come running to you (whistle my love)
Well, whistle my love, I come running to you (whistle my love)
I love you baby no matter how you do (whistle my love)
You broke this heart, and you will break mine too (whistle my love)
You broke this heart, and you will break mine too (whistle my love)
But I still love you baby no matter how you do (whistle my love)
)

Hey baby, won't you whistle (whistle my pretty baby)
My pretty baby just squeeze me (squeeze me my pretty baby)
My baby just kiss me (kiss me my pretty baby)
Oh baby, don't you leave me (leave me my pretty baby)
Baby oh, I I come running to you

Well, whistle my love, I come a-
running to you (whistle my love)
Well, whistle my love, I come running to you (whistle my love)
For I still love you baby no matter how you do (whistle my love)
)

Pretty baby just squeeze me (squeeze me my pretty baby)
My baby just kiss me (kiss me my pretty baby)
