

## Fade Into You

### The Moth & The Flame

I want to hold the hand inside you  
I want to take a breath that's true  
I look to you and I see nothing  
I look to you to see the truth

You live your life, you go in shadows  
You'll come apart and you'll go blind  
Some kind of light into your darkness  
Colors your eyes with what's not there

Fade into you  
Strange you never knew

Fade into you  
Strange you never knew  
Fade into you  
I think it's strange you never knew
