

# Moth Into Flame

## The Moth & The Flame

Blacked out pop queen, amphetamine  
The screams crashed into silence  
Tapped out doused in the gasoline  
The high times going timeless  
Decadence death of the innocence  
The pathway starts to spiral  
Infamy all for publicity  
Destruction going viral

Light it up oh, light it up  
Another hit erases all the pain  
Bulletproof oh, kill the truth  
You're falling, but you think you're flying high  
High again

Sold your soul  
Built a higher wall  
Yesterday  
Now you're thrown away

Same rise and fall  
Who cares at all?  
Seduced by fame  
A moth into the flame  
A moth into the flame

Twisted backstabbing wicked  
The delusion absolution  
Perjurer fame is the murderer  
Seduce you into ruin

Light it up oh, light it up  
Another hit erases all the pain  
Bulletproof oh, tell the truth  
You're falling, but you think you're flying high  
High again

Sold your soul  
Built a higher wall  
Yesterday  
Now you're thrown away

Same rise and fall  
Who cares at all?  
Seduced by fame  
A moth into the flame  
A moth into the flame  
A moth into the flame  
A moth into the flame  
A moth into the flame
