

## Wait Right Here

### The Moth & The Flame

I know you're gone  
I know I'm too late  
Wherever you go  
No matter how long  
Oh, of the ones I loved  
You were first  
Oh, you're the one that curves  
The one that burns  
The one that hurts

Ooh...  
Hand written note  
I want you to know  
Wherever you go  
No matter how long  
I'll wait for you  
I'll just wait right here in case  
I'll just wait right here

I'll wait for you  
I'll wait for you  
I'll wait for you  
I'll wait for you

Ooh...  
Hand written note  
You want me to know  
You spelled it all out  
And left me no doubt  
Oh, how the words they cut  
This is worst  
Of all the ones that hurt  
Ones that burn  
Ones that turn

Ooh...  
I know you're gone  
I know I'm too late  
Wherever you go  
No matter how long  
I'll wait for you  
I'll just wait right here in case  
I'll just wait right here in case

I'll wait for you  
I'll wait for you  
I'll wait for you  
I'll wait for you

I'll just wait here in case
