The Motors

Today if we think of it  
This world could fall in love  
And live the kind of life we only dream about

And while we're there  
We'd stop the show  
Just you and I  
With a love so strong  
We'd turn this over  
Right from wrong

Oh, you and I, we'd realize  
The many things to do and to say  
And this world could fall in love  
Today  
Oh, you say there's nothing you can do  
To change what's going on  
And make this world a better place to live upon

But I say to you  
You don't have to pray  
Just you and I  
With a love so strong  
We'd turn this over  
Right from wrong

Oh, you and I, we'd realize  
The many things to do and say  
And this world would fall in love again  
Today

And this world would fall in love again  
Today

Yes this world would fall in love again  
Today

Yes this world could fall in love  
Today
