

Song For Sasha Banks

The Mountain Goats

We don't get cable in Belle Plaine
But on Thursday night there's matches on TV
Get kicked out of the living room for watching
My brother and me
My brother and me

Keep watching with the lights out back in his room
Chris Jericho starts tearing up the set
I want to do right by my brother
I want to do right by this feeling in my gut

Everybody's got their own spot
Find mine
In 64 point type atop the top line
Up on the top line

Head up to camp in Boston
Come up through the independents
Those who would stand between me and my final destination get t
orched inside the fire of my transcendence

California
Minnesota
Massachusetts
They can tell I'm coming up by the expression on my face
I'm gonna make a lot of money
Everyone I love is going to have their own safe place

Everybody's got their own spot
Find mine
In 64 point type atop the top line
Up on the top line
